

## R E M A R K S

In view of the above amendments and foregoing remarks, favorable reconsideration in this application is respectfully requested. By this amendment, claim 21 was amended, and claim 22 canceled. Accordingly, claims 1-21 and 23-27 remain pending in the application, including independent claims 1 and 21.

### Drawings

The Examiner objects to the drawings, requesting that suitable legends be added to the figures. A replacement sheet and annotated sheet showing changes are attached hereto. The replacement sheet inserts legends into the figures in accordance with the Examiner's suggestion. No new matter has been added.

### Claim Rejection – 35 U.S.C. §102

The Examiner rejects claim 21 under 35 U.S.C. §102 as unpatentable over Moore et al., but indicates that claims 22-23 are allowable. By this Amendment, claim 22 has been canceled and the allowable subject matter incorporated into base claim 21. Accordingly, claim 21 should be in condition for allowance, together with allowed claims 1-20 and dependent claim 23.

In the event there are any questions relating to this Amendment or to the application in general, it would be appreciated if the Examiner would telephone the undersigned attorney concerning such questions so that the prosecution of this application may be expedited.
